

ADVANTAGE HOSPICE  
PROVIDERS, INC.

## Mission

We provide a comprehensive program of physical, emotional, and spiritual care tailored to individuals in the final stages of life-limiting illnesses. Our focus is on alleviating pain and managing symptoms to ensure comfort and dignity throughout their journey.

Our program is designed to prioritize comfort, enabling patients to maintain independence for as long as possible within their familiar surroundings. We believe in empowering individuals to make choices that align with their preferences and values.

Hospice care extends beyond the patient to include their family and caregivers. We recognize the importance of supporting and empowering all involved, fostering an environment of understanding and respect.

Our hospice personnel are committed to respecting and responding to the unique differences in family dynamics, lifestyles, values, and wishes. We ensure that every individual receives compassionate and personalized care that honors their background and preferences.

HOSPICE PROVIDERS

## PHILOSOPHY

Hospice is a treatment to life, to joy and to the warmth and richness that can result when one person reaches out to another to soften the impact of disease.

It evokes a message that will never be lost. It is best of traditional medicine blended with an awareness of the complexity of the human spirit, with careful and caring attention to the multi-dimensional needs of the patients, families, and caregivers.
